Thursday Night Coed Pick-Up

Solid beginner to intermediate, around 9:00 pm, 21 skates, \$250 or \$13 per skate

Program Coordinator:

Tracy Longchamp (462-2972, 989-2057) - Tracy@Longchamp.biz

Thursday's hockey is all about fun! With our core group of regular players, we get to know each other pretty well and develop some good hockey chemistry. But because we're pick-up, we always have new players to spice things up. Our numbers vary a bit from week to week, and with the pick-up style, we all play every position. We even have goalie equipment for those who want to try out playing in net! As you might guess, the level of play varies, too, but we aim to be the right spot for solid beginners to intermediate players, with the emphasis on everyone having a chance to play good, exciting hockey every Thursday.

We usually skate around 9:00 pm, with earlier times as the rink schedule allows. Core players can purchase a full time slot at \$250 for 21 hour and fifteen minute games. Purchasing a slot in advance helps us make the financial commitment to the ice rental. Drop-in fees are \$13 per night. Hockey helmet and skates, hockey gloves, and shin/knee pads are required. Full

hockey equipment is recommended. Bring both light and dark jerseys to all games.

Let us Host your event.
